Ben,

I have reached out to the Port of LA to discuss this potential project for San Pedro.

Greetings Ryan and Lorena!

Just a quick note to say thank you for the meeting yesterday. We will proceed apace on all things related to the World Stage during the Fall San Pedro Art Walk.

Also, I've attached an draft overview of the project "Galileo" featuring The Industry, Los Angeles Dance Project, and The Actor's Gang. We discussed that this project could potentially happen in San Pedro on the beach, using DCA owned facilities as a residency space/launch pad. As I stated, this could be a major cultural coup for the City of San Pedro (in my estimation), and I will be bringing the artistic director of The Industry, Yuval Sharon, to do a site visit of San Pedro on July 7.

So, I will keep you in the loop on this, but this is just an advance FYI.

More soon!
Ben
